1842 Snake River Road
Katy, TX 77449

The new location is near Katy Freeway at Fry Rd., about 20 miles west of our current location. If you live near Clear Lake, Sugar Land or The Woodlands, it would be fastest to take the Beltway to I-10. Heading West or Outbound on Katy Freeway, exit Fry Rd, then take a right (North) on Fry Rd. to Park Row (the second red light between Wal-Mart and Kroger). Take a left on Park Row to Snake River Rd, about 1/4 mile. Snake River is the first street on your right from Fry Rd., right behind Kroger and a small creek. You can only turn right on Snake River and you will see a new office park on your right. We are at the second driveway and first building on your left. This is all a short distance from Fry Rd and the Katy Freeway.
